Nothing to report

II. OTHER ACTIVITIES

25X1

25X1

25X1

1. Mr. [] is working on a proposed schedule for the map reading course to be entitled, "Use of Maps in Intelligence". The course, which is taking shape, will emphasize the use of foreign maps. Mr. [] has previewed a number of films and has located useful material. He has scheduled a meeting with Mr. [], Acting Chief of the CIA Map Library.

25X1

2. Dr. [] is working out with OO a tentative program for the OO/C Refresher Course, which will be given at 1717 H Street from 17 to 26 September.

3. Intelligence Techniques Course No. 1 is in its last week with the students concentrating on the final 20-minute briefings on their intelligence problems. The group has been an unusually lively one and has shown a high standard of performance.
